Attorneys at Law

*I*nsurance Litigation

For over fifty years, Udall Law Firm's insurance law experts have represented primary and excess insurers and reinsurers in complex litigation before state and federal courts, and before arbitration panels.

Our insurance lawyers have specialized expertise in a broad range of insurance matters, including the handling of first-party and third-party litigation, as well as insurance bad faith claims, which have greatly increased in recent years in Arizona.

Recognizing lawsuits are often best avoided, our attorneys often counsel clients in an effort to resolve disputes before litigation arises.
